

- Maker Mondays will be held in 4104 (lab attached to the media center) during lunch.
- The first session will be informational (fill out permission form, take a survey about experience, etc).
- There are no fees or attendance requirements
- You must be a serious maker, which means being willing to learn how to use various tools and research for projects, following all rules of the makerspace, and being respectful of your fellow makers and the materials.

What Makers will have access to:

- 2 Sphero Sprks
- 2 Ozobots
- 2 Makey Makeys
- 2 littleBits Deluxe kits and 1 littleBits STEAM kit
- 1 Arduino starter kit, 1 Arduino Uno, and 1 Arduino Mega
- 1 Raspberry Pi Model B
- 1 XYZ da Vinci Jr 3D printer
- 2 3Doodler 3D printing pens
- 2 sewing machines (Brother and Singer)
- 3 LilyPad Arduino boards and accessories for making wearable electronics
- Crochet needles (various sizes)
- 6 iPad Airs/Minis
- Stikbot Animation Studio
- Recyclable electronics
- Woodworking station
- Crafting materials
- Assortment of tools

And much more! We will expand as the Maker Movement grows at West Boca...
